Welcome to the 125th Annual Michigan Association of Fairs & Exhibitions Convention!

This is YOUR convention. The Board of Directors hope that everyone will meet many new friends and take many new and fresh ideas to help improve the fairs and festivals your communities.

Tough times don't last, but tough people do. Coming together is a beginning... Staying together is progress... Working together is success. The fact that an association can exist for 125 years is testament to the strength and power of the human spirit and the ability to create something that is so much bigger than any one individual or group of individuals.

The lifelong lessons, experiences, and memories provided by Michigan's fairs and festivals set forth a foundation of principles that, I believe, makes our youth exhibitors more successful later in life. In a world full of so many things that don't matter... this matters...and you matter.

Thank you for celebrating our 125th year with us.

Best wishes,

EJ Brown
