HOUSE OF REPRESENTATIVES

P.O. Box 30014  
LANSING, MICHIGAN 48909-7514

October 29, 2009

Representative Andy Dillon  
Speaker of the House  
Michigan House of Representatives  
P.O. Box 30014  
Lansing, Michigan 48909

Dear Speaker Dillon,

The undersigned legislators respectfully urge you to hold a vote on House Concurrent Resolution 32; the resolution affecting Executive Order 2009-45.

The agriculture department has a long history of working in partnership with the agriculture industry. Farm Bureau, Michigan Agri-Business, Michigan Milk Producer's Association, Michigan Harness Horseman's Association, Michigan Pork Producer's Association and Michigan Association of Fairs and Exhibitions are among a fraction of the industry organizations who support HCR 32.

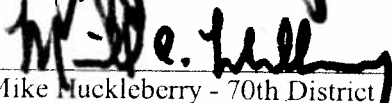

There is no room for doubt that at a time when nearly every other area of the economy is losing jobs, the agriculture industry is the sole sector of our economy that continues to grow. Michigan is second only to California in agricultural diversity; Michigan ranks first in floriculture in the nation, and ranks forth in Christmas tree production. Not to be diminished is the fact that agriculture is a \$71 billion dollar industry and an employer to one million people of the State of Michigan.

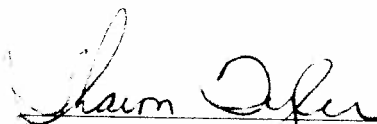

There is a bi-partisan effort to support your decision to hold a vote on this resolution.

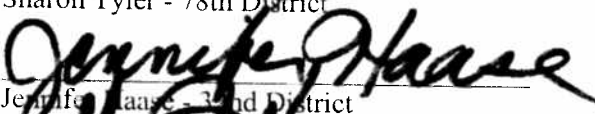

Most sincerely,
